Capo 1

Intro: **A F#m Bm E**

**A** **F#m**  
From the day we arrive on the planet, blinking, step into the sun  
**Bm** **E**  
There s more to see than can ever be seen, more to do than can ever be done  
**A** **F#m**  
Far too much to take in here, more to find than can ever be found  
**Bm** **E**  
But the sun rolling high through the sapphire sky, keeps the great and the  
small endless round

**F#m** **Bm** **G**  
**E**  
But the sun rolling high through the sapphire sky, keeps the great and the  
small endless round

Chorus:

**A**  
It s the Circle of Life, and it moves us all  
**D** **E**  
Through despair and hope, through faith and love  
**A/C#** **F#m** **Bm** **F**  
Till we find our place, on the path unwinding  
**Esus4** **E** **A**
