

I Believe In Love
Matisyahu

C **G**
And I remember when I was running after you
Am **F**
Can't give up and you know it's true
C **G**
I know sometimes I've been down so blue
Am **F**
But it's not about that cause you know what to do
C **G** **Am**
Not about the he said, she said, you said, I said
F **C** **G**
Not about the show, not about the flow or the song I write
Am **F**
Early days and the late late night

C **G** **Am** **F**
I'm on my way to you
C **G** **Am** **F**
I'm on my way to you

C **G** **Am** **F**
I believe in love, sittin' so high in the sea
C **G** **Am** **F**
I believe in love, not my reasons to be
C **G** **Am** **F**
Believe in love, yeah
C **G** **Am** **F**
Now I'm free

C **G**
It's not about the trains, or the planes or the automobiles
Am **F**
This is about the way that you make me feel
C **G**
Swear of lies, this is something real
Am **F**
Said something but it's time we heal
C **G**
It's not about the fast life in my past life
Am **F**
I asked you to be in my life
C **G**
I know sometimes this love it cuts like a knife
Am **F**
But I want to end this strife

C **G** **Am** **F**

I m on my way to you

C G Am F

I m on my way to you

C G Am F

I believe in love, sittin so high in the sea

C G Am F

I believe in love, not my reasons to be

C G Am F

Believe in love, yeah

C G Am F

Now I m free
