G **Bm**
You re all that I have and you re all that I need

Each and every day I pray to get to know you please
G **Bm**
I want to be close to you, yes I m so hungry
Em
You re like water for my soul when it gets thirsty
G **Bm**
Without you there s no me, you re the air that I breathe
A
Sometimes the world is dark and I just can t see
G **Bm**
With these, demons surround all around to bring me down to negativity
Em
But I believe, yes I believe, I said I believe
G **Bm**
I ll stand on my own two feet, won t be brought down on one knee
A
I fight with all of my might and get these demons to flee
G **Bm**
Hashem s rays fire blaze burn bright and I believe
Em
Hashem s rays fire blaze burn bright and I believe
G **Bm**
Out of darkness comes light, twilight unto the heights
Am
Crown Heights burnin up all through till twilight
G **Bm**
Said thank you to my God, now I finally got it right
Em
And I ll fight with all of my heart, and all a my soul, and all a my might

[Chorus]

Em **D**
 What s this feeling, my love will rip a hole in the ceiling
A **Bm**
 I give myself to you from the essence of my being
Em **D**
 And I sing to my god, songs of love and healing
A **Bm**
 I want Moshiach now, time we start revealing
Em **D**
 What s this feeling, my love will rip a hole in the ceiling
A **Bm**
 I give myself to you from the essence of my being
Em **D**
 And I sing to my god, songs of love and healing
A **Bm**
 I want Moshiach now

[Verse]

G **Bm**
 Strippinâ€™ away the layers and reveal your soul
A
 Got to give yourself up and then you become whole
G **Bm**
 You re a slave to yourself and you don t even know
Em
 You want to live the fast life but your brain moves slow
G **Bm**
 If you re trying to stay high, bound to stay low
A
 You want God but you can t deflate your ego
G **Bm**
 If you re already there then there s nowhere to go
Em
 If you re cup s already full then its bound to overflow
G **Bm**
 If you re drowning in the water s and you can t stay afloat
A
 Ask Hashem for mercy, and he ll throw you a rope
G **Bm**
 You re looking for help from God you say he couldn t be found
Em
 Searching up to the sky and looking beneath the ground
G **Bm**
 Like a King without his Crown, you keep fallin down
A
 You really want to live but can t get rid of your frown
G **Bm**
 Tried to reach unto the heights and wound bound down on the ground
Em
 Given up your pride and the you heard a sound
G **Bm**
