Smash lies wake up stand up and jump off to this, and wake up

G Em

Stand up and jump off to this

D C

Wake up, stand up and jump off to this

Am C/B

Some piece of mind from the daily grind

Em

G

Am

Smash lies wake up stand up and jump off to this, and wake up

G Em

Stand up and jump off to this

D C Am C/B

Wake up, stand up and jump off to this

Em

Find lines to move guys rely on a vision
Filled with rhymes the room is filled with villains and ghost
We toast and coast to the next host

Am

Bm

Em

Many boast of battles won and the day is fading fast

Em

The work is passed through the self destruction
Why you wanna burn why you wanna drown?
Why you wanna die by the highway?

Am

Bm

The front lines intertwine

Chorus

Em

Stand up, said wake up

We ll bounce over beats and rock shows
So fast so slow never know where the day may go

C

Bounce and we bubble over hills and valleys

Am

Bm

We go through the fields of green in between destinies

Em

Or just get high nah there s no need

C

No need to feed on the scraps of the enemy

Am

Bm

Where s the bad guy on the inside one day I might try

Chorus
