Artist: Matisyahu
Song: So High So Low
Album: Shattered

Capo 1

C **Em**
When the time is right, I ll leave this place tonight
D **Am** **C/B**
Just leave everything behind, this time I face my life
C **Em**
We re trying to fight to cross that gap, slap back to a crack in time
D **Am** **C/B**
Does anyone on the other side, seek and you might find

Chorus:

Em **D**
So high, so low
Am **D/F#** **G** **C**
I don t know where but I know we got to, got go there
Em **D**
So high, so low
Am **D/F#** **G** **C**
I don t know where but I know we got to, got go there, got to go there

C **Em**
Why not give up buck up drop down, while I lie down and never wake up
D **Am**
Give in give up and don t get up, give in to the ground who gives a
C
She is frozen in time behind the enemy line
Em
In the nighttime she stares down the highway
D
Which way s the right way
Am **C/B**
Walking through this world on a tightrope from memory
C
Door swings both ways hear me now
Em
In the outside, buckle up
D
It s gonna be a bumpy ride oh
Am **C/B**
It s gonna be a bumpy ride oh

Chorus

Em

Em **D/F#**

I am searching for the shade of the tree

G **C**

Heard bout it from a tune in the breeze

Em **D/F#**

Say it exists on a sign on the road

G **C**

Which road nobody was told, so low

Em **D/F#** **G** **C**

All I know is I must find a road that leads where nobody goes, so low

Em **D/F#** **G** **C**

I can roll down all the windows where the wind blows down those fears and foes,
so high

Em **D/F#** **G** **C**

Let go of the steering wheel let go let go, so low

Em **D/F#** **G** **C**

All I know is I must find a road that leads where nobody goes

Em **D/F#** **G** **C**

Let go of the steering wheel, let go, let go

Chorus
