Artist: Matisyahu
Song: Struggla
Album: Light

Intro: **Am Em** x4

Am

Open up the gate Let my prayer rise up

Em

And I struggle every day just to get myself up

Am

For the force of gravity that keeps sinking my ship

Em

Time again one is bound to slip

Am

We rip through these days we flip through the age

Em

Survive stay alive we won t trip in the haze

Am

Lost in the maze I know it s just a phase

Em

But I dread it dread it dread it

Chorys:

Am

But I won t let my life go to waste

Em

I m a struggla

Am

Rise and never fall cause I been through it all

Em

I m a struggla

Am

So ask yourself and think twice would you want to live your life

Em

I m a struggla

Oh we pay the cost the pain and all the loss

Em

Of a struggla

Am

Sell the youth them dreams of ease and fame

Em

Life will be a breeze when you got a big name

Am

Cash fast fast cars to escape all of the pain

Em

Escape your brain and so it stays the same

Am

We would not lay down

Em

We won't live in vain

Am

We won't be drained

Em

And I got to maintain

Chorus

Dm

There's something wrong with the system

Am

That leaves it's people victim

Dm

Keep on slipping can't seem to catch up

Am

Try to rise at night but my legs they stay stuck

Dm

There's something wrong in the system

Am

That leaves it's children victim

Rap
