Bm F#m
With hopes to find some peace of mind

Bm F#m
That doesn t matter that s torn and tattered these angels on a ladder
Em G
This laughter Strip away the extra plaster
Bm F#m
I m crashing fast It s the morning after
Em G
Through the hum and the buzz the thickness and the fuzz
Bm F#m
I jump over puddles to stomp through the sludge

Chorus:

Em G
Look for me through the wind and rain
Em Am
Sunshine remember my name
Em G
I ll be coming yes I m running oh I m on my way
Em D
Just stay and I ll be there by the break of day
Em G
Look for me through the wind and rain
Em Am
Thunder remember my name
Em G
I ll be coming yes I m running oh I m on my way

I had to evacuate the premises you re your own nemesis
Bm F#m
The premises you re born and blood and leave the world penniless

I had to remember that there s darkness before the exodus

Bm F#m
Split the sea we ll flee to the next come and vent with us

Em G
I had to send and blend out spent it all on sentences

Bm F#m
Fend off the members of relentless pessimists

Em G
I had to miss the world looking for the core, cure

Bn F#m
My heart so I can live more

Remember my name
Thunder
Remember my name

City lights shine and I m on my way
This time tomorrow I ll be on my way
At the break of day I look for you at sunrise
When the tide comes in I lose my disguise
