Subject: Lying To The Moon Matraca Berg Lyrics/Chords

Matraca Berg Lying to the Moon by Matraca Berg/Ronnie Samoset

G#m Ebm B G#m Ebm C#

C# F# C#

I watch the sun going down

Ebm F#

While I stand on sacred ground.

C# F# C#

Where once the night found us.

Ebm B

In the twilight of our love.

G#m B C#

You said you d meet me here.

Ebm

But I m all alone.

G#m B C#

You sounded so sincere.

F#

Well did you lead me on.

C# F# B F#

I told the starry sky to wait for you.

C# F# B

I told the wind to sigh like lovers do.

C# F# B

I even told the night that you were true.

G#m Bbm B

And you would be here soon.

G#m C# F# F# C# Ebm B

And now I m lying to the moon.

B F# C#

And so the night takes me in.

Ebm F#

Like a sympathetic friend.

C# F# C#

And sends away the trees.

Ebm **B**
 And the willow weeps for me.
G#m **B** **C#**
 The shadows fool my eyes.
Ebm
 And I think I see you.
G#m **B** **C#**
 Then they start to cry.
F#
 Don t you know that they believed you
C# **F#** **B** **F#**
 I told the starry sky to wait for you.
C# **F#** **B**
 I told the wind to sigh like lovers do.
C# **F#** **B**
 I even told the night that you were true.
G#m **Bbm** **B**
 And you would be here soon.
G#m **C#** **G#m** **Ebm** **B** **G#m** **Ebm** **C#** **F#**
 And now I m lying to the moon.
