Matraca Berg Lying to the Moon by Matraca Berg/Ronnie Samoset

G#m Ebm B G#m Ebm C#

C# F# C# I watch the sun going down Ebm F# While I stand on sacred ground. C# F# C# Where once the night found us. Ebm в In the twilight of our love. G#m В C# You said you d meet me here. Ebm But I m all alone. G#m в C# You sounded so sincere. Р# Well did you lead me on. в C# F# F# I told the starry sky to wait for you. в C# F# I told the wind to sigh like lovers do. C# F# в I even told the night that you were true. G#m Bbm в And you would be here soon. G#m C# F# F# C# Ebm B And now I m lying to the moon. в F# C# And so the night takes me in. Ebm F# Like a sympathetic friend. C# F# C# And sends away the trees.

Ebm в And the willow weeps for me. G#m в C# The shadows fool my eyes. Ebm And I think I see you. G#m B C# Then they start to cry. F# Don t you know that they believed you C# F# в F# I told the starry sky to wait for you. C# F# в I told the wind to sigh like lovers do. C# F# в I even told the night that you were true. G#m Bbm в And you would be here soon. G#m C# G#m Ebm B G#m Ebm C# F# And now I m lying to the moon.
