Subject: Lying To The Moon Matraca Berg Lyrics/Chords

Matraca Berg Lying to the Moon by Matraca Berg/Ronnie Samoset

Bm F#m D Bm F#m E

E A E

I watch the sun going down

F#m A

While I stand on sacred ground.

E A E

Where once the night found us.

F#m D

In the twilight of our love.

Bm D E

You said you d meet me here.

F#m

But I m all alone.

Bm D E

You sounded so sincere.

A

Well did you lead me on.

E A D A

I told the starry sky to wait for you.

E A D

I told the wind to sigh like lovers do.

E A D

I even told the night that you were true.

Bm C#m D

And you would be here soon.

Bm E A A E F#m D

And now I m lying to the moon.

D A E

And so the night takes me in.

F#m A

Like a sympathetic friend.

E A E

And sends away the trees.

F#m **D**
And the willow weeps for me.

Bm **D** **E**
The shadows fool my eyes.

F#m
And I think I see you.

Bm **D** **E**
Then they start to cry.

A
Don't you know that they believed you
E **A** **D** **A**
I told the starry sky to wait for you.
E **A** **D**
I told the wind to sigh like lovers do.
E **A** **D**
I even told the night that you were true.

Bm **C#m** **D**
And you would be here soon.

Bm **E** **Bm** **F#m** **D** **Bm** **F#m** **E** **A**
And now I'm lying to the moon.
