To Leave What Should Be Left Alone - Matt Andersen
Standard Tuning

E B A
Was I ever good for you
E B E
Or have I only let you down
B A
Did we do all we could do
E B A
To keep from running aground
E A
I can see it coming down the line
B E
What Iâ€™ve always known
B
The thought thats been on my mind
A B E
To leave what should be left alone

I never wanted you to say
Baby its time to go
I never wanted you to stay
And be my second home
I feel it in a distant wind
I feel it in my bones
Itâ€™s pullin on my heart again
To leave what should be left alone

B A E B
Iâ€™ve watched it hit the ground
A E B
Iâ€™ve watched it fall apart
A E
Iâ€™ve heard the worlds saddest sound
A E
The sound of a broken heart

Was I ever good for you
Or have I only let you down
Did we do all we could do
To keep from running aground
I can see it coming down the line
What Iâ€™ve always known
The thought thats been on my mind
To leave what should be left alone
