

Lately

Matt Cardle

A G D - ALL THE WAY THROUGHT :))

A G D x2

A

Too long staring at the same page

G

Through love and through rage

D

I wanna run, I wanna stay the same

A

Get loose, get lucky, get laid

G

We have dreams, they fade

D

I wanna run, I wanna stay the same

A

G

D

Lately, it wont come together, it wont come together

A

G

D

But my baby, its gonna get better, its gonna get better

A

Too long putting on a brave face, but

G

inside we cant change

D

I wanna run, I wanna stay the same

A

Stand down, know your place

G

A bitter pill I wont taste

D

I wanna run, I wanna stay the same

A

G

D

Lately, it wont come together, it wont come together

A

G

D

But my baby, its gonna get better, its gonna get better

A

G

D

Lately it wont come together, it wont come together

A But my baby, its gonna get better, its gonna get better
