

**Lost Found**  
**Matt Cardle**

Intro: **Dm D Dm D Dm G A**

**A**  
Spirits were gathering dust,  
**G**  
Somewhere familiar enough,  
**A**  
To stay, alone.  
Mixed with my kind and care,  
**G**  
No one could find me in there,  
**A**  
What have I done?

**F#**  
I hope, I don t let you down,  
**A**  
I won t let you down,  
**G**  
I would not be here,  
**A**  
If I left myself in the lost and found.

**Dm D Dm**

**A**  
I started causing a scene,  
**G**  
Trying to break the routine,  
**A**  
Of days, so long.  
Waiting for someone, somewhere,  
**G**  
To try and get me from there,  
**A**  
And take, me on.

**F#**  
I hope, I don t let you down,  
**A**  
I won t let you down,  
**G**  
I would not be here,  
**F#**  
If I left myself in the lost and found.

**G**

Don t take me back, don t take me back,  
To the lost and found.

**F#** **G**  
Don t take me back, don t take me back.

**F#** **G**  
I hope, I don t let you down,

**F#**  
I won t let you down,

**G**  
I would not be here, oh.

**A** **F#**  
I hope, I don t let you down,

**A** **G A F#**  
I won t let you down, yeah.
