Capo 4

Intro: **E**

Leave your door open,

D

I wanna come over

A

E

The night is only young

D

I wanna get under your body

A

E

Take you over, come undone

G

But why do we only give it up?

A

E

Give it up in the dark

Cause I can't help thinking

G

It's not enough,

A

E

(stop)

It's not enough for this heart

C

G

Who do you think about when I'm not with you?

D

Em

Does somebody hold you when you let me go?

C

D

You can't hide, you can't lie

Em

Cause baby I'm loving, loving, loving you

C

G

I could tell myself that I don't need you

D

Em

I could try to run away from the truth

C

D

I can't hide, I can't lie

Em

Cause baby I'm loving, loving, loving you
