

Untitled

Matt Corby

This one matches, if you want to play along, with the original song. I know he plays this song differently sometimes, but yeah.

The Am/Em chord is played with the first finger on the first fret of the B string. The second finger on the second fret of the A string and the 3rd finger on the second fret of the D string.

Capo on 7th fret

[Intro]

F **C**
ooooo ooooo
F **C**
ooooo ooooo

[Verse]

Am **G** **C** **F**
So I threw your letter into the flame
 G **C** **F**
And watched the fire regain
 Am **G** **C** **F**
And these words have done nothing for you
 G **C** **F**
As I did not read them through
 G **C** **F**
Now turned to ash in the flume

[Pre-Chorus]

F
And colors are dull
 C **G**
As the feeling of the cold
 F
And memories fall
 C **G**
As the fire is getting old
F
Oh and I once more am now

(pluck the A string first and then the G and B strings together for these chords)

[Chorus]

C Am Am/Em
Donâ€™t you fret Iâ€™ll find my way
F **C** **Am** **G**
Carefully walking from the devilâ€™s plane
C Am Am/Em
And I know why you did not follow me
F **C** **G** **C**
Pride swallowed me then led me astray

[Post-Chorus]

F **C**
ooooo ooooo
F **C**
ooooh ooooo

[Verse]

Am **G** **C** **F**
And now the dark in me has now seen the day
 G **C** **F**
Oh my chill has now lost its way
 Am **G** **C** **F**
And these hands that once had helped me to pray
 G **C** **F**
They are limp in all their dismay
 G **C** **F**
Oh they fall in their disarray

[Pre-Chorus]

F
And colors are dull
 C **G**
As the feeling of the cold
 F
And memories fall
 C **G**
As the fire is getting old
F
Oh and I once more am now

(Same plucking as before)

[Chorus]

C Am Am/Em
Oh donâ€™t you fret Iâ€™ll find my way
F C Am G
Carefully walking from the devilâ€™s plane
C Am Am/Em
And I know why you did not follow me
F C G C
Pride swallowed me then led me astray
