All I want for Christmas is you  
G D  
All I want for Christmas is you  
D G  
The weather outside is so snowy and white  
A D  
And All I want for Christmas is you

I know I seem kinda young  
G D  
My teachers say Iâ€™m lotsa fun  
D G  
If I get good grades then on my winter break  
A D  
Please say to my house youâ€™ll come

D A  
All I want for Christmas is you  
G D  
All I want for Christmas is you  
D G  
Mother and dad sat me on Santaâ€™s lap  
A D  
And All I want for Christmas is you

D A  
No I donâ€™t want a bike  
G D  
Or a big gun or knife  
D G  
Last Christmas eve where we said our goodbyes  
A D  
Was all year I wished you were mine

D A  
All I want for Christmas is you  
G D  
All I want for Christmas is you  
D G  
The weather outside is so snowy and white  
A D  
And All I want for Christmas is you
