This Old House - Matt Epp

Matt Epp's official website is at <http://www.mattepp.com/>. You can hear this song on YouTube at <http://www.youtube.com/watch?v=CUKc8xfJZnw> with a live version where you can see him playing at <http://www.youtube.com/watch?v=-9-yOlpX-08> (the live version is slightly different than the CD recording).

Matt keeps his pinky on the 3rd fret of the high-e string (G) throughout the song for all chords. The C G and Am7 chords are still normal with the pinky-G, but the F becomes Fadd9. You can play it without the pinky-G and it still sounds good, but it's also cool the way he plays it.

Standard time.
