

**High Wire**  
**Matt Gresham**

[Verse 1]

**Am**            **C**            **G**  
Where did I go last night  
                  **Dm**  
You already know  
**Am**                            **C**            **G**  
You ve got me locked in your side  
                  **Dm**  
Where did I go

[Pre Chorus]

**Am F C**  
Oooooh  
                                  **Am**  
Don t jump before I speak  
**Am F C**  
Oooooh  
                                  **Am**  
Just look before you leave

[Chorus]

**Am F**  
We re on a high wire  
                  **C**                            **G**  
Trying not to loose our grip  
                  **Am F**  
We re on a high wire  
                  **C**                            **G**  
And I promise we won t slip  
                  **Am**    **F**  
Cause Everyone knows it s a balance Tonight  
                  **C**                            **G**  
We ve already fallen for that  
                  **Am**    **F**  
The secret is that you don t look down  
                  **C**    **G**  
Stay up here you ll be safe and sound  
                  **Am F**  
Upon a high wire

[Verse]

**Am**                    **C**                    **G**  
Where did you go last night

**Dm**  
I already know

**Am**                    **C**                    **G**  
I've got you locked in my side

**Dm**  
There's nowhere to go

[Pre Chorus]

**Am F C**  
Ooooooh

**Am**  
Don't jump before I speak

**Am F C**  
Ooooooh

**Am**  
Just look before you leave

[Chorus]

**Am F**  
We're on a high wire

**C**                    **G**  
Trying not to lose our grip

**Am F**  
We're on a high wire

**C**                    **G**  
And I promise we won't slip

**Am**                    **F**  
Cause everyone knows it's a balance tonight

**C**                    **G**  
We've already fallen for that

**Am**                    **F**  
The secret is that you don't look down

**C**                    **G**  
Stay up here you'll be safe and sound

**Am F**  
Upon a high wire

[Bridge]

**Am**                    **C**                    **G**  
Where will we be tonight

**Dm**  
We already know

[Chorus]

Am F  
Upon a high wire  
Am F  
Upon a high wire  
C G  
And I promise we won't slip  
Am F  
Cause Everyone knows it's a balance Tonight  
C G  
We've already fallen for that  
Am F  
The secret is that you don't look down  
C G  
Stay up here you'll be safe and sound  
Am F  
Upon a high wire  
Am F  
Upon a high wire

[Outro]

Am C G  
Where will we be tonight  
Dm  
We already know
