

**He Always Wins**  
**Matt Hammitt**

Hey Guys!

Saw there was no tab for this and I think a song with such a powerful message needs to be sung!  
So I hope this helps and any corrections (I think it s all correct..!) let me know.

The chords for Capo 4 are much easier and are how I originally played it however the no-capo Chords sound a lot better in my opinion.

God Bless

Andrew
