[Intro]
Bm D A D
Bm D A D

[Verse 1]
D   Bm   D
Donâ€™t leave me hanging, from a willow tree
           A   D
Honey cut me down, â€˜cus I canâ€™t breathe
            Bm   D
Iâ€™m up the mountain, ainâ€™t coming down
             A   D
No you wonâ€™t see me around your town

[Instrumental]
Bm D A D
Bm D A D

[Verse 2]
            Bm   D
Iâ€™m high nâ€™ lonesome, nâ€™ Iâ€™m runnin dry
         A   D
Iâ€™ve given up, on gettinâ€™ by
            Bm   D
So come home honey, donâ€™tcha make me beg
              A   D
Take out your fiddle , tune up and play

[Chours]
            Bm   D
I know itâ€™s hard when the sun goes down
      A   D
To be alone, on shaky grounds
            Bm   D
Go get some matches and kerosene,
              A   D
Weâ€™ll burn it down, honey, run out and leave

[Intsrumental]
Bm D A D
Bm D A D

[Verse 2]
            Bm   D
I bleed out slowly, in my sunday vest

```
             A                         D
When you come around, in that sunday dress
             Bm                D
Your blue eyes dancin, drawin  me in
             A                 D
And sideways glances, honey where you been

[Chours ]
             Bm                    D
I know itâ€™s hard when the sun goes down
       A              D
To be alone, on shaky grounds
             Bm              D
Go get some matches and kerosene,
             A                        D
Weâ€™ll burn it down, honey, run out and leave

[Intsrumental]

Bm D A D

[Verse 1]
             Bm                     D
Donâ€™t leave me hanging, from a willow tree
             A                  D
Honey cut me down, â€˜cus I canâ€™t breathe
             Bm                    D
Iâ€™m up the mountain, ainâ€™t coming down
             A            D
No you wonâ€™t see me around your town

[Chours]
             Bm                     D
I know itâ€™s hard when the sun goes down
       A              D
To be alone, on shaky grounds
             Bm              D
Go get some matches and kerosene,
             A                        D
Weâ€™ll burn it down, honey, run out and leave

[Chours]
               Bm                      D
And I know itâ€™s hard when the sun goes down
       A              D
To be alone, on shaky grounds
             Bm              D
Go get some matches and kerosene,
             A                        D
Weâ€™ll burn it down, honey, run out and leave
