[Verse 1]

G **DsusF**
I was ready for the truth, I wasn t ready for this situation,
Cadd9 **G**
you re outta your mind, said we were fine, but now you want out.

G **DsusF**
I was ready for a change, I wasn t ready for a revolution,
Cadd9 **G DsusF**
well maybe it s time, maybe it s time we figure this out.

[Chorus]

Em **DsusF** **Cadd9** **Em-Cadd9**
So letâ€™s not walk away from the one thing we know is great,
G **DsusF** **Cadd9/Em/Cadd9**
life can trip you up on a perfect day.

G **DsusF** **Cadd9** **Em-Cadd9**
And letâ€™s not run and hide from the truth we know inside,
G **DsusF** **Cadd9 Em-Cadd9**
life can trip you up on a perfect day.

[Verse 2]

G **DsusF**
You wanna make an escape, you wanna prove this was a grand illusion,
Cadd9 **G DsusF**
oh well, maybe it s wise we look inside and work it all out.

[Chorus]

Em **DsusF** **Cadd9** **Em-Cadd9**
So letâ€™s not walk away from the one thing we know is great,

G DsusF Cadd9 Em/Cadd9
