

Out Of The Dark
Matt Hires

My very first tab, I m pretty sure this is as he plays it (live at least) took me a few minutes to work it out offa his YouTube vid.

He plays it with a few hammer-ons, namely 3rd finger on the Am

	Fmaj7	C/G	G
e	-----0-----0-----3--		
A	-----1-----1-----3--		
D	-----2-----0-----0--		
G	-----3-----0-----0--		
B	-----3-----2-----2--		
E	-----0-----0-----3--		

(other than that, chords are just standard)
