Matt Hires - Restless Heart

D... D... D... D...

D... G...  
Pretty girls come from the ugliest places

Bm... A...  
You come from the worst of them all

D... G...  
Heartbreakers like you are hard to erase

Bm. A. G...  
You lift me up just so I fall

D... G...  
I followed you all the way down to the coast

Bm... A...  
And we kissed under travelling skies

D... G...  
I wish I had seen what was coming for me

Bm. A. G...  
But you wear such a lovely disguise

D... Bm. G.  
Heyyy you ve got a restless heart

Bm... A...  
Beating out out out on your sleeve

D... Bm. G.  
And I won t let this fire start

Bm. A. G...  
You say love is all that you need

Bm. A. G...  
Well you re not gonna get it from me

D... A... Bm. A. G...  
Oh-oh oh-oh no you re not gonna get it from me

D... G...  
You say that you wanted a lover

Bm... A...  
Someone to cover your head when it rains

D... G...  
But even a hopeless romantic like me

Bm. A. G...  
Yeah I know that it s all just a game

D... G...  
Everyone s looking for love
