

Daylight

Matt & Kim

[Verse 1]

D

We cut the legs off of our pants

A

Threw our shoes into the ocean

F#m

Sit back and wave through the daylight

E

Sit back and wave through the daylight

D

Slip and slide on subway grates

A

These shoes are poor mans ice skates

F#m

Fall through like change in the daylight

E

Fall through like change in the daylight

[Verse 2]

(same as verse 1)

I miss yellow lines in my roads

Some color on monochrome

Maybe I ll paint them in myself

Maybe I ll paint them in myself

These sidewalks liquid then stone

Building walls and an old pay phone

It rings like all through the daylight

It rings like all through the daylight

[Chorus]

(verse chords progression)

And in the daylight we can hitchhike to Maine

I hope that someday I ll see without these frames

And in the daylight I don t pick up my phone

cause in the daylight anywhere feels like home

[Verse 3]

(same sa verse 1)

I have five clocks in my life
And only one has the time right
I ll just unplug it for today
I ll just unplug it for today

Open hydrant rolled down windows
This car might make a good old boat
And float down grand street in daylight
And float down grand street in daylight

And with just half of a sunburn
New yellow lines that I earned
Step back and here comes the night time
Step back and here comes the night time

[Chorus]

D **A**
And in the daylight we can hitchhike to Maine
F#m **E**
I hope that someday I ll see without these frames
D **A**
And in the daylight I don t pick up my phone
F#m **E**
cause in the daylight anywhere feels like home
