

Turn Around
Matt Maher

Verse: **Em-C-G**
Pre-Chorus: **Em-D-G-D**
Chorus: **Em-C-G**

Em.....C.....G
Young man on the side of the road
Lost and beat up with nowhere to go
Smells like a hangover from days ago
.....C.....G.....D
He does what he can to survive

Em.....C.....G
Single mom with a dead end job
Ninety hour week just to keep what she s got
With the bills that add up and now she s caught
.....C.....G.....D
She does what she can to survive

.....Em D G
Well, let me say
.....D
That love won t take away the pain
.....Em D G
But don t be afraid
.....D
Cause it will never walk away

[Chorus]
.....Em.....C.....G
If you re scared that you don t matter
If you re lost and need to be found
If you re looking for a Savior
.....C.....D.....G
All you gotta do is turn around

Some turn to a bottle
Some turn to a drug
Some turn to another s arms
But it seems like it s never enough

Well I won t say, that you will never fail again
But there is grace
To wash away your every sin

[Chorus]
If you re scared that you don t matter
If you re lost and need to be found

If you re looking for a Savior
All you gotta do is turn around

No one listens to you anymore
And your heart has broken down
You don t need to move
Love has come to you
All you gotta do is turn around
All you gotta do is turn around
Turn around

.....**C**.....**D**.....**G**

You don t have to take the broken road

.....**C**.....**D**.....**G**

You can turn around and come back home
