

I Hear The Day Has Come

C **C7** **Gm** **F**
See the girls stand by a door
C **C7** **Gm** **F**
See the old friends sit and talk
C **Dm** **F**
See the painters, paint once more
C
Heâ€™s seen it all
E **Am** **F**
But he aint seen this before
C **F**
And I might of heard it wrong
C
But I hear the day has come
C **C7** **Gm** **F**
See your father, in your mothers arms
C **G** **Gm** **F**
See the buildings built up tall
C **Dm** **F**
See the writers write them small

Theyâ€™ve seen it all
E **Am**
But they aint seen this before
F **C** **Dm**
And I might of heard it wrong
F **C**
But I hear the day has come

See the river runs
(Gm) **Am**
I hear it runs every night
Dm **G**
The misty Sun
(Gm) **C**
Where cool lovers lie
Dm **G** **(Gm)** **Am** **F**
I could swear, it might all just be alright

F **C** **C7**
See the painters paint once more
F **C**
Theyâ€™ve seen it all
E **Am** **D**

But they ain t seen this before

F **C** **Dm**

F **C**

But I hear the day has come

F **C** **D**

I might of heard it wrong
