Bent
Matt Nathanson

Hello, these are more or less the chords. There might be a few errors, I apologize.

intro and verse:
F# barred constantly @ 9th fret with 11th fret releases @ B

if i bent like you said was best,
would that change a thing?
if i spent myself till nothing s left
would you still leave me here?

F# B
you re so sorry about it all
   F#
now that it s over..
C#
should i thank you for that dear?
you re so sorry about it all...
C#
and i hope you ll always be.

F# B
i remember you best
F#
hating all the boys who got to you
same progression
C#
and all the things they took
that you d kept for yourself
every car crash, every misstep, every word

F#   B
you re so sorry about it all
F# C#
now that it s over..
C#
should i thank you for that dear?
F# B
you re so sorry about it all...
C#
and i hope you ll always be
always be.

(sorry havent tabbed out the bridge)
i remember you best
hating all the boys who got to you
and all the things they took from you again...

it s all wrong...all wrong
