

Heartbreak World

Matt Nathanson

**E** **A** **E** **B**  
Lets all pack up and move this year  
**E** **A** **E** **B**  
Slips the liars and disappear  
**E** **A** **E** **B**  
Leave memories for auctionneers  
**E** **A** **E** **B**  
And those just standing still

**E** **A** **E** **B**  
They ll miss the taste of wanting you  
**E** **A** **E** **B**  
Call out your name like I still do  
**E** **A** **E** **B**  
But they never said a word that s true  
**E** **A** **E** **B**  
And they only hold you down

(refrão)

**C#m** **A** **E**  
And this heartbreak world

**B**  
Of just imagine  
**C#m** **A** **E**  
With its tired talk

**B**  
Of better days  
**C#m** **A** **E**  
And this heartbreak world

**B**  
Where nothing matters  
**A** **B**  
Come on lets make this dream that s barely half awake come true

**E** **A** **E** **B**  
Let s move out of Los Angeles  
**E** **A** **E** **B**  
Just drive until this summer gives  
**E** **A** **E** **B**  
And forget the lies we use to live  
**E** **A** **E** **B**  
cause we re gone
