Little Victories - Matt Nathanson

Capo: 2 Verse: **C, C/F, G**

Chorus: **Am, G, F**

This time, I ll be sailing
No more bailing boats for me
I ll be out there on the sea
Just my confidence and me
And I ll be awful sometimes
Weakened to my knees
But I ll learn to get by
On little victories **C. C/F, C, C/F**
This time, I ll have no fear
I ll be standing strong and tall
Turn my back towards them all
And I ll be awful sometimes
Weakened to my knees
And I ll learn to get by
I ll learn to get by
On the little victories
And if the world decides to catch up with me
Still little victories
