Mission Bells by Matt Nathanson

Standard Tuning
Capo on 4

I palm mute the verses and fully strum the chorus, with single strums during the

bridge. Whatever works, I guess.

Intro: (**Em**, **G6**, **Cmaj7**) x2

```
Em      G6          Cmaj7
I had a dream you died,
                  Em        G6     Cmaj7
and I just want to be with you tonight
                  Em
Mission bells were ringing
  G6        Cmaj7
somewhere higher,
        Em       G6 Cmaj7
I let you get away
          Em       G6 Cmaj7
I let you get away
```

```
          Em           G6
What kind of man misunderstands
          Cmaj7
a woman like you,
Em          G6         Cmaj7
sees her in black and white?
    Em        G6                       Cmaj7
It s 5 AM and phone book says that you re not alone
      Em         G6         Cmaj7
in the cold gray morning light
```

```
    Em  G6          Cmaj7
The only one that s left to trust,
```

```
      Em          G6            Cmaj7
my faithless heart that wasted us.

G       Cadd9     Em7
I had a dream you died,
                    G        Cadd9   Em7
and I just want to be with you tonight
                    G
Mission bells were ringing
   Cadd9      Em7
somewhere higher,
         G        Cadd9 Em7
I let you get away
         G        Cadd9 Em7
I let you get away

Em                          G6
What kind of fool thinks love s a prison
     Cmaj7
or a handicap,
Em   G6       Cmaj7
only says goodbye?
Em                  G6              Cmaj7
Sinking fast in the rocky waters off Alcatraz,
     Em           G6 Cmaj7
his friends say suicide

     Em   G6         Cmaj7
The only one that s left to trust,
   Em        G6         Cmaj7
my faithless heart that wasted us.

G       Cadd9      Em7
I had a dream you died,
                    G        Cadd9   Em7
and I just want to be with you tonight
                    G
Mission bells were ringing
   Cadd9      Em7
somewhere higher,
         G        Cadd9 Em7
I let you get away
         G        Cadd9 Em7
I let you get away

       Em                  G6
I m the end of a Hitchcock movie
         Cmaj7
a little dark and a lot confusing
```

```
         Em                    G6
I m the last of the worst pretenders
    Cmaj7
so lost, so lost in love
          Em                    G6
I m the end of a Hitchcock movie
          Cmaj7
a little dark and a lot confusing
          Em                    G6

    Cmaj7
so lost, so lost in love

G        Cadd9      Em7
I had a dream you died,
                     G        Cadd9  Em7
and I just want to be with you tonight
                     G
Mission bells were ringing
   Cadd9       Em7
somewhere higher,
          G        Cadd9 Em7
I let you get away
          G        Cadd9 Em7
I let you get away
