

Sooner Surrender

Matt Nathanson

[The lyrics are usually wrong whenever I look them up and on other versions of this

These lyrics are straight from the cover pamphlet of the CD.)

Capo 1

[Verse 1]

Am **G** **D**
In the party lull, some bands playing Hallelujah...Hallelujah...
Am **G** **D**
In the corner, the all night girls drink wine and try to sing along
Am **G** **D**
I've made a mess of things, my stops and in between they weigh me down
Am **G** **D**
But you've got someone new singing your songs now...right now...

[Chorus]

G **Am** **Cadd9** **G** **D** **Cadd9**
I'd sooner surrender, than watch the last wall collapse.
G **Am** **Cadd9** **G** **D**
Cadd9
I'd sooner surrender, then our love would count for everything.

[Verse 2]

Am **G** **D**
In my sweetest dreams, it's just you and me, and we break wide.
Am
I wake reminded love, of how I just gave up,
G **D**
and how you moved on, how you moved on...
Am
I'm waiting for something, I've waited for now,
G **D** **Am**
for the rolling canyons of love.
G **D**
But I'm tongue tied and you're coming alive, coming alive.

[Chorus]

G **Am** **Cadd9** **G** **D** **Cadd9**
Sooner surrender, than watch the last wall collapse.
G **Am** **Cadd9** **G** **D**
Cadd9
I'd sooner surrender, then our love would count for everything...

[Bridge]

Am **G** **D** **Am**
I'm sorry that you're gone, so sorry that you've gone

Am **G** **D**
I m sorry that you ve gone, ohhh.

Am **G** **D**

Cadd9

And I m sorry that you ve gone, so sorry that you ve gone away...

Am

You re a little bit right...

Cadd9 **Am** **Cadd9**

More than a little bit right, with my arms around you

[Chorus]

G **Am** **Cadd9** **G** **D** **Cadd9**

Sooner surrender, than watch the last wall collapse.

G **Am** **Cadd9** **G** **D**

Cadd9

I d sooner surrender, and our love would count for everything...

G **Am** **Cadd9** **G** **D** **Cadd9**

I d sooner surrender, than watch the last wall collapse, I know,

G **Am** **Cadd9** **G** **D**

Cadd9

I d sooner surrender, and our love would count for everything...

G **D** **Cadd9**

And our love would count for everything...

G **D** **Cadd9**

And I miss when you were everything...
