**Fm**           **C#**  
When you lead me  
          **Ebsus2**           **Fm**  
and fit around my tongue  
          **Fm** **C#**           **Ebsus2**           **Fm**  
it s so easy, to forget that i m lost  
          **Fm**           **C#**  
spent all of my life  
          **Ebsus2**           **Fm**  
waiting for answers  
          **Fm**           **C#**           **Ebsus2**           **Fm**  
to lift me, to numb me, to define it all  
**G# C#add9 Eb**  
sun-----shine, i m beginning to like this  
          **Fm**                   **Ebsus2**                   **C#add9**  
cause all i want to be is the minute that you hold me in  
          **Fm**           **Ebsus2**  
when you pretend that  
          **G#**                   **C#add9**  
i m all that you waited for  
**Fm**                                   **Ebsus2**                                   **C#add9**  
time slips to nothing and i m better than i ve ever been  
          **Fm**           **Ebsus2**   **G#**   **C#add9**  
i m suspended  
          **Fm**           **C#**  
with your breathing  
**Ebsus2**           **Fm**  
filling up my lungs  
          **Fm**           **C#**                   **Ebsus2**           **Fm**  
I can almost believe that i m almost enough  
          **Fm**           **C#**           **Ebsus2**           **Fm**  
spent all of my life emptied of anthems  
**Fm**           **C#**                   **Ebsus2**           **Fm7**  
bracing for something that never did come  
**G# C#add9 Eb**  
sun-----shine, i m beginning to like this (X2)  
          **Fm**                   **Ebsus2**                   **C#add9**

when you pretend that  
          **G#**                   **C#add9**

**Bbm                    Fm7            Bbm**  
it s not enough to stay surrounded  
**Fm7                            Bbm**  
it s not enough to stay awake,  
**Cm**  
torn, and braced, cornered  
**C#                    Eb**  
and not feel alone...  
**G# C#add9   Eb**  
sun-----shine, i m beginning to like this (X2)
