the veil of the temple was opened for man as

Jesus went down in the cold of the grave

defeated the darkness when He overcame

the keys of the kingdom were placed into hands

of children and priests and of fishers of men

Through all generations His voice will be heard

creation resounds the victorious words

(double chorus)

It is finished

It is done

to the world Salvation comes

Hallelujah, We're alive

Hell was silenced when You cried

It is Finished

It is done

Now completed, the work of Love

Hallelujah, He's alive

Join the song of the ransomed Bride

It is Finished.
