It s a very good and funny song, if my version you seem not correct ,don t hesitate to send me yours corrections.

CAPO ON 1ST FRET

G **C**
Up above I see specks of silver in the evening sky
G **C** **G**
Specks of gold in the river running from the deep moonlight
G **C**
See us shake in the wild distortion of the waters waves
G **C** **G**
Still I know you re in the darkness shining from a mile away

G **C**
Oh when the sun starts coming through
G **Em**
Or when the cardinal chides the moon
Em **C** **G**
I believe in energies that no one has to see for us to prove
Em **C** **G**
I believe in you and me and everything we ll ever see or do

G **C**
Hear your voice come across the pillows whisper sweet and low
G **C** **G**
In the dark we re disappearing, in the dark we ll go
G **C**
Up above I see specks of silver in the evening sky
G **C** **G**
Specks of gold in the river running from the deep moonlight

G **C**
Oh when the sun starts coming through
G **Em**
Or when the cardinal chides the moon
Em **C** **G**
I believe in energies that no one has to see for us to prove
Em **C** **G**
I believe in you and me and everything we ll ever see and do

C **G**
The rain falls down in a million rivers
C **G**
All through the sand with the silver slivers
Em
And it keeps on comin
