Capo 4!

Intro: **G#,.-** **Eb C#add9 G#,.- Eb**
G#,.-
It s getting hard to see the road
Eb   Cadd9aa
Rain drowning out the radioe-
G#,.-
One wiper doing double time
Eb   **C#add9**
Coffee cold, gas is low
G#,.-
These miles keep getting me nowhere
Eb   **C#add9**
She s there no matter where I go
                         Eb
And the night keeps coming on
C#add9   **Eb**
And the night keeps coming on

G#,.-   **Eb**
Sometimes you gotta pull the car over
       C#add9
To the side of the highway
       Eb   **G#,.-**
Break down, kill the motor and cry
                      Eb
Sometimes you gotta try to keep living
       C#add9
Put the key in the ignition
Eb   **C#add9**   **G#,.- Eb C#add9 G#,.- Eb**
And start your life over again

G#,.-
Thousand wheels flying by
Eb   **C#add9**
Heading down the interstate
G#,.-
Everybody s got a place to go
Eb   **C#add9**
All I do is sit and wait
G#,.-
For some kind of resurrection
Eb   **C#add9**
From a love that feels more like hate

```
                        Eb
And you can t get back what s gone
C#add9                   Eb
No you can t get back what s gone

G#,.-                      Eb
Sometimes you gotta pull the car over
        C#add9
To the side of the highway
       Eb                          G#,.-
Break down, kill the motor and cry
                      Eb
Sometimes you gotta try to keep living
        C#add9
Put the key in the ignition
Eb                  C#add9      G#,.-  Eb C#add9 G#,.- Eb
And start your life over again

C#add9                   Eb
Cause you can t get back what s gone
C#add9                   Eb
No you can t get back what s gone

G#,.-                      Eb
Sometimes you gotta pull the car over
        C#add9
To the side of the highway
       Eb                          G#,.-
Break down, kill the motor and cry
                      Eb
Sometimes you gotta try to keep living
        C#add9
Put the key in the ignition
Eb                  C#add9      G#,.-
And start your life over again
                      Eb
Sometimes you gotta try to keep living
        C#add9
Put the key in the ignition
                         C#add9
Put the key in the ignition
Eb                  C#add9      G#,.-  Eb C#add9 G#,.- Eb
And start your life over again
```
