

The Thing About Love
Matt Terry

[Verse 1]

G
Found the letter that you wrote
Em
Was in the pocket of my coat
D **C**
Ain't it funny how, only thing that's left of you now
G
Said I was perfect, then you walked
Em
And I became an afterthought, oh oh
D **C**
Now I'm alone again, feel so alien

Em **D**
You know I waited for you, waited for you
C
Waited too long

[Chorus 1]

G
That's the thing about love
Em
The thing about love
D
Just when you think you're in control
C
It pulls you in and then it lets you go
G
That's the thing about love
Em
The thing about love
D
You don't always get it back
C
So tell me how I'm gonna live like that (live like that)

[Verse 2]

G
Doesn't matter what I do (doesn't matter what I do)
Em
All I think about is you, oh oh
D **C**
There's a hurricane every time I hear your name (every time I hear your name)
G
Now I'm wide awake the whole night
Em

Thinking what I didn't do right

D

C

Now I realize we never stood a chance (we never stood a chance)

[Chorus 2]

G

That's the thing about love

Em

The thing about love

D

Just when you think you're in control

C

It pulls you in and then it lets you go

G

That's the thing about love

Em

The thing about love

D

You don't always get it back

C

So tell me how I'm gonna live like that (live like that)

G

Does it make you feel like, feel like it was worth it?

Em

Cause it makes me feel like, feel like I don't deserve it

D

Yeah I still need it, feel it

C

And that's the thing about love, love, love, love

G

Does it make you feel like, feel like it was worth it?

Em

Cause it makes me feel like, feel like I don't deserve it

D

Yeah I still need it, feel it

C

And that's the thing about love, love, love, love

G

Does it make you feel like, feel like it was worth it?

Em

Cause it makes me feel like, feel like I don't deserve it

D

Yeah I still need it, feel it

C

And that's the thing about love, love, love, love

[Outro]

G

That's the thing about love

Em

The thing about love

D

You don't always get it back

C

So tell me how I'm gonna live like that
