**C G F**  
And made it all obey

Chorus (Same Chords\Structure as Verse)

All I know is the bleeding in my heart  
And the healing in your touch  
All I know is that you gave everything  
So let that be enough  
Cause it s all I know

I donâ€™t know how your love works  
How you cover me in grace  
I donâ€™t know how you swallow all I am  
When I can t stand my taste

All I know is the bleeding in my heart  
And the healing in your touch  
All I know is that you gave everything  
So let that be enough  
Cause it s all I know

**G Am7 F**  
I can t explain the mystery  
**G C F**  
But I know the answer

All I know is the bleeding in my heart  
And the healing in your touch  
All I know is that you gave everything  
So let that be enough  
Cause it s all I know
