

Carolina

Matt Wertz

(intro) **G D C D**

**G D C D**

Tennessee January

Everything ordinary

You're unlike anything I've seen

**G D C D**

Is this how I really feel?

Or just another heart to steal?

To fuel the song that's underneath

**G D C D**

Carolina you will have to forgive me

Carolina this is just my tendency

Forgive me

(intro)

**G D C D**

I pass another day wasting

Thought on what's ahead asking

What if and why not and who's to say?

**G D C D**

When all I really know of you

Is you're just as lonely too

Cause desperate hearts are hearts that need someone

**G D C D**

Carolina you will have to forgive me

Carolina this is just my tendency

Forgive me

(intro)

**G D C D**

I'm careless sometimes

I'm sure that you'll find

But that's not how I want to live my life

I want to be sure

But I don't know how to

How hard I try
