(D A Bm G)

D A Bm G
So the stage is set, the stars and moon above
D A Bm G
I ve come so far to get here, baby look at us
Bm A G
I am as nervous now as I was back then

D A Bm G
Staring back at me in that white summer dress
D A Bm G
The smell of jasmine takes me back to our first kiss
Bm A G
And I don t know where to start
Bm A Em F#m G
But I m leading with my heaaaaaaart

A D A
Cause I ve told you that I love you

D G
From everything I ve shown

D A
And it s time to speak the truth

D G
And finally let you know

Bm
Though I ve always known
F# Bm E

What to say every other time

G A D A Bm G
I just wish that words came easier tonight

D A Bm G
I never said I love you to any girl before

D A Bm G
I d say those words for something that meant more
Bm A G
So I promise when I do

Bm A Em F#m G
I will give my heart to you-oooh-oooh

A D A
Cause I've told you that I love you

D G
From everything I've shown

D A
And it's time to speak the truth

D G
And finally let you know

Bm
Though I've always known

F# Bm E
What to say every other time

G A
I just wish that words came easier

G A
Tonight's the night I'm jumping in

Bm E
It's why we started and it's how the story ends

G A D
And I'm down on my knee and I'm asking for your haaaaaand

G D A Em D G
I'm asking for your hand

A D A
I just told you that I love you

D G
Now everything has changed

D A
What used to try and stop me

D G
Just got pushed out of the way

Bm F#
And I always knew what to say

D E
It wasn't the right time

G A D A
But it could have gone easier tonight, do do do doo

D G D A
But it could have gone easier tonight, do do do doo

D G D
But it could have gone easier tonight

A D G D
Ooo ooo ooo ooo ooo ooo

A D G
Ooo ooo ooo ooo ooo ooo
