(Verse Uno)

I wish I could say what words won t amount to,  
But now I can t speak your name  
Send it in a letter  
Wait for your reply  
Because you were on my mind

(Chorus)

I m sorry Mary but it s over  
I m sorry Mary but it s over  
I m sorry Mary but it s over

(Verse Dos)

First star I see tonight hangs on my wall  
Picture of you that s still there  
Wouldn t change anything

Would you change me if I could  
Would you want me to be here

(Chorus)

(Bridge)  
Illusions all but faded  
Sunlight beams in your hair  
Trying me

(Chorus)
