

Crash

Matt Willis

Sorry, I don't know the actual tabs to with the intro but I recommend that if you don't either, just play the first line as the intro.

D **A** **G**
Here you go, way to fast, don't slow down you're gonna crash,
D
You should watch, watch your stay here,
A **G**
Don't look out you're gonna break your neck,
D **A** **G**
So shut, shut your mouth, cos I'm not listenin' anyhow,
D **A** **G**
I've had enough, enough of you, enough to last a lifetime through,
Em **A** **D** **G**
So what, what do you want from me, got no words of sympathy,
D
And if I, go around with you,
A **G** **Em**
You know that I'll get messed up too with you, with you, with you,
D **A** **G**
Na na na na na na na na na na,
D **A** **G**
Na na na na na na na na na na,
D **A** **G**
Here you go, way to fast, don't slow down you're gonna crash,
D
You don't know what's, what's been goin' down,
A **G**
You've been running all over town,
D **A** **G**
So shut, shut your mouth, cos I'm not listenin' anyhow,
D **A** **G**
I've had enough, enough of you, enough to last a lifetime through,
Em **A** **D** **G**
So what, what do you want from me, got no cure for misery,
D
And if I go around with you,
A **G** **Em**
You know that I'll get messed up too with you, with you, with you,
D **G** **A** **D**
Na na na na na na na na na na, don't slow down you're gonna crash,
D **G** **A** **D**
Na na na na na na na na na na, don't slow down you're gonna crash,
