

I Followed Fires
Matthew and the Atlas

Standard tuning: Capo 6

[Verse 1]

Am **G** **Am**
Give me to the road, upon the heart that I had sold.
G **Am**
Warm my heavy hands, my heavy hands for you to hold.
C **G** **Am** **C**
There s a devil at your door,
G **Am**
And he grows, he grows,
C **G** **Am**
So I ve been told he had a heart of gold
C **G** **Am**
And it grows, it grows like a storm.

[Chorus]

F **G** **Am**
Now the low lakes have frozen.
F **G** **Am**
Away from home I ll go
F **G** **Am**
When the first snow has fallen.
G **Am**
Away I ll go.
G **Am**
Ooo Ooo. (2x)

[Verse 2]

Give me to the ground; I followed fires to walk the sun.
Cold upon the mountain to which I m bound, to which I m bound.
I ll meet you by the mill,
You re heart winds still.
Sparrow swung down and he took shape and form
And it grows, grows like a storm.

[Chorus]

F **G** **Am**
Now the low lakes have frozen.
F **G** **Am**
Away from home I ll go
F **G** **Am**
When the first snow has fallen.
G **Am**
Away I ll go.
G **Am**
Ooo Ooo. (2x)
