

**To The North**  
**Matthew and the Atlas**

There are a few different ways to play this song. By that I mean a few different places to put the capo. On the album version (and live versions) he puts a capo on the 9th fret. If you're like me and keep your guitar in D standard tuning, that's pretty hard to accomplish.

So, here are the different versions:

Capo 9:

Verse: C G the whole time just switch back and forth. It's fairly easy to hear.

Chorus: **Am C G**

Here's a live video for reference: <http://www.youtube.com/watch?v=C-8xVt8Cplw>

Capo 7 (or for D standard tuners, Capo 9)

Verse: **D A**

Chorus: **Bm D A**

No Capo

Verse: **A E**

Chorus: **F#m A E**

I can't find the lyrics anywhere but it shouldn't be hard for you to hear the changes! I

strongly recommend picking up Matthew & The Atlas daytrotter session, it has an awesome version of this song.
