Capo I

**Dsus2 Dm Bm Am**  
**Dsus2 Dm Bm Am**

**Dsus2 Bm Dsus2**  
Tonight the darkness seems so deep  
**Dm Bm Am**  
And silent stars watch as we sleep  
**Dsus2 Bm Dsus2**  
The drifter cross the sky  
**Bm**  
Never stop to wonder why  
**Am Dm Dsus2**  
Million eyes could never weep

She lies dreaming like a child  
Here beside me all the while  
She ll just dream away  
Until the break of day  
And gently wake me with a smile

**Dsus2 Bm**  
She makes me laugh  
**Dsus2 Bm**  
She makes me cry  
**Dsus2 Bm**  
She brings down  
**Dsus2 Bm**  
And takes me high  
**Dsus2 Bm**  
She fills my life  
**Dsus2 Bm**  
And makes it real  
**Am Bm Dsus2 Dm Dsus2**  
No matter what she does  
**Bm Dsus2**  
She makes me feel

And when the dawn becomes the day  
Her nighttime dreams they slip away  
She s there beside me still  
The way she always will  
Sharing my life in every way

She makes me laugh  
She makes me cry  
She brings down  
And takes me high  
She fills my life  
And makes it real  
No matter what she does  
She makes me feel
