Matthew Good

B-side from White Light Rock & Roll Review

Song: Annabelle

Tabbed By: Jason Caine (jfcaine@hotmail.com)

Tuning: Capo 1st fret

C **Em** **Am**
Anabelle said to me the other day
F
This life is just a dream
C **Em**
You get out of bed
Am
Put on a happy face
F **C**
Cause crying never solves anything
Em
You keep to yourself
Am **F**
And think
C **Em**
Ain t it time we did something
Am **F**
Ain t it time that we got clever
C **Em**
Instead of standing in the shadows
Am
Why don t we try
F
And stand together
C
Oh, Anabelle

F **C**
Well, I like it here
F **C**
Cause nothing seems impossible
Am **C**
And I need to know that s possible
F
Maybe not before
C **Am**
But I m not so sure anymore

C **Em** **Am**
 Anabelle said to me the other day
 F
 This nothing s what it seems
C **Em**
 You get out of bed
 Am
 Put on a happy face
 F **C**
 Cause crying never changed anything
 Em
 We keep to ourselves
 Am **F**
 And think
 C **Em**
 Ain t it time that we did something
 Am **F**
 Ain t it time that we got clever
 C **Em**
 Instead of living in the shadows
 Am **F**
 Why don t we try and live forever
C **Em**
 Oh, Anabelle
Am **F**
 Oh, Anabelle
C **Em**
 Oh, Anabelle
Am **F** (end on **C**)
