G G/F C

It s all i know

So brother are you weary?

Sister are you safe?

Has this world got you thinking

That it ain t nothing but a jailless cage?

Child there ain t no worries

And child there ain t no thing

Cause this world s too old to hate you

And too young to give up spring

Itâ€™s all I know

This empty road

It keeps me looking for a place in your heart

It keeps me looking for a place in your heart

It keeps me looking for a place in your heart Itâ€™s all I know
