In A World Called Catastrophe

Couldn't find the rhythm part that Matt plays in the video so here is the MGtabArchive version, I think it's fairly spot on so kudos to whoever transcribed it! Enjoy!

Outro Chords: It s possible the little eb string is tuned down half a step to a D,

and on that little string there is a hammer on from 0 to 1. The song may be tuned like this

the whole song but it s not necessary.
