

Its Been Awhile Since I Was Your Man  
Matthew Good

Tuning: Half-step down

Intro: C

Verse:

Fmaj7 C  
Way up in that sky

Fmaj7 C  
I look up and I wonder

Fmaj7 C  
If that's you passing by

Chorus:

Am C Fmaj7  
It's been a while since I was your man x2

Used to shout up from outside  
Wake you when you were sleeping  
Now I walk the streets, I don't recognize nobody

It's been a while since I was your man

Bridge:

**Am** **C**  
As time passed us by  
**G**  
We never felt like we should  
**Fmaj7**  
We never did what we ought to  
**Am** **C**  
And folks they used to smile  
**G**  
And now they just think that they should  
**Fmaj7**  
They just think that they should

Interlude: C - Fmaj7
