2nd timeB-12-----15-----13-----13-----| Verse:

**G Em7**  
I m reaching deep within myself. I m trying to tell you what I know  
**G**  
I even kept the photograph.. Of when I nearly let you go  
**Em7**  
You separate your love from me. From every single one you had  
**Em** Away with all that s gone before. Let your shoulders fall  
Chorus: **Am D**  
I m coming for your love today. It s lucky that you came this way  
**Em E**  
I m loving how I think about you now  
**Am D**  
For many years it s been so slow. And only now we start to now  
**Em C**  
Just what it is to shoot out of our minds

G Em7 I'm shaking like a newborn tree. My idol left without a trace.  
I never thought you'd understand.

**G**

You licked the tears right off my face

Em7 I couldn't trust the telephone. It doesn't say the lies you mean  
Em Away with all that's gone before. Let your shoulders fall.

Verse 3: **G**

**Em7**

I'm home for national holiday. Let's hook up in a coffee bar.

Won't you bring your friend who's lost in space.

**G**

Don't worry if it's not your car

Em7 I'm joking and I think you know. I love it when you're  
playing dumb. Em
