Matthew Mayfield

I love this song. enjoy :)

**C#m**

I m waiting

Wish I was watching you

**A**

In the daylight

A perfect view

**E**

**B**

This is always a favorite of mine.

**C#m**

**A**

Said I don t want to go

**B**

**E**

Cause it means I d have to throw

**C#m**

**A**

**B**

This element of mine inside

**C#m**

**A E**

**B**

What if I don t want to be the lonely one?

**C#m**

The truth I know is this

**A**

**B**

I don t want to miss you more

**C#m**

**B**

**A**

Than I already do

**C#m**

I m screaming

My lungs out

**A**

Cause I m wishing

You were here with me now

**E**

**B**

I m impatient I apologize a million times

**C#m**

But I m human

And I m selfish

**A**

Got the feeling

I should deal with this

**E**

But I m hiding

**B**

Know one knows

**C#m**

**A E**

**B**

What if I don t want to be the lonely one?

**C#m**

The truth I know is this

**A**

**B**

I don t want to miss you more

**C#m B A**

Than I already do

**B**

At sunrise

**A**

I find a new relation

**B**

And moonlight

**E A**

Creeping sounds of you tonight

**B**

And you ll find

**A**

I still need to know

**B**

And you ll fight

**A**

using memory

**C#m**

**A E**

**B**

What if I don t want to be the lonely one?

**C#m**

The truth I know is this

**A**

**B**

I don t want to miss you more, oh

**C#m**

**A E**

**B**

What if I don t want to be the lonely one?

**C#m**

The truth I know is this

**A**

**B**

I don t want to miss you more

**C#m B A**

Than I already do

**C#m B A**

Than I already do
